MEMORANDUM

TO: All Site Managers and Region Offices

FROM: Larry Blankenship, Chief of Operations *LB*

SUBJECT: America the Beautiful Passes

We have been informed by the USCOE that effective January 1, 2016, the Corps will begin recognizing the Federal America the Beautiful Parking Pass. This is the same Annual entrance pass that has been sold and recognized by the National Park Service for many years.

This memo is to inform you that the PRHS Division will not be honoring the America the Beautiful pass at any of our sites. This includes properties leased from the USCOE. Only Georgia State Park Passes will be sold or recognized at our facilities.
