WHAT'S YOUR ACTIVE?

Select “Admin”

The screenshot shows the Active Works Outdoors Operations Manager web application. The browser address bar displays the URL: https://orms.reserveamerica.com/OpMgrHome.do?e_Worker=Login&e_TagVariableName=Switch&e_Param=10&defaultContract=GA&orms_session_id=F53505F2-F40F-421D-B2D1-F7E52B26A38A&10_e_RoleLocationDropDown=31669822. The page header includes the Active Works logo, the word "Outdoors", and the title "Operations Manager". A navigation bar contains links for Home, Search (with a dropdown menu set to "Reservations"), Parks, Sites, Bulletins, Admin, Financials, Help, Launch Pad, and Sign-Out. The user profile in the top right corner identifies the user as Terry Trowbridge, an Agency Admin for the State of Georgia - Georgia State Parks. The main content area is divided into two sections: "CALLBACK DUE (ARRIVAL DATE WITHIN 5 DAYS FROM TODAY)" and "BULLETINS". The "CALLBACK DUE" section lists several reservations with their IDs and names, such as "2-4029700 MINES, JENNIFER 03-07-2014 0". A button labeled "COMPLETE CALLBACK LIST" is located below this list. The "BULLETINS" section is currently empty. A red arrow points to the "Admin" link in the navigation bar. The footer of the page includes the Active Network logo, a "Production" status indicator, and a copyright notice for 2003-2014 The Active Network, Inc. A taskbar at the bottom of the screen shows the Start button, several open applications (activeworks | out..., Inbox - Terry.tro..., Backup 3-5-14, Holds Report - Mi...), a search bar, and the system clock showing 7:58 AM.
